External/ Internal Fast-Track Tender Announcement

The Public Establishment of road Communication announces its intention to conduct an External/Internal Fast-Track Tender for the project supervising of the project Rehabilitation and construction of a second branch for the road section extending from the Al-Busayri junction to the Al-Tanf crossing (170 km), plus a 45 km link from the Al-Sabaa Biyar junction towards Al-Busayri.

Contract duration: 30 months of the calendar

The tender is conducted in accordance with the Unified Public Entities Contracts System issued by Law No. 51 of 2004 and the General Terms and Conditions issued by Decree No. 450 of 2004, and in accordance with the Particular technical specifications and the special legal and financial terms and conditions.

The bidder is considered to have reviewed the project file according to the following conditions:

–Bid Bond: \$75,000 (seventy-five thousand US dollars only), Valid until the bidder's commitment to their offer expires, as mentioned in the legal and financial terms and conditions.

–Performance bond: 5% of the total value of the contract as mentioned in the legal and financial terms and conditions.

All partners submit temporary and final guarantees in accordance with the legal and financial terms and conditions, and the application for membership includes that they are jointly and severally liable.

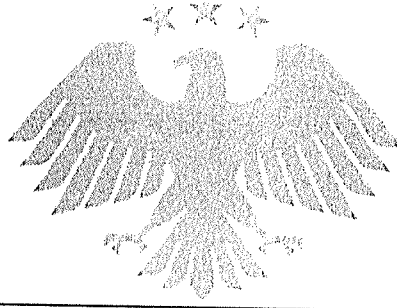

A receipt for the project file purchase must be submitted.

– The Bidder's commitment period to their offer: (60) sixty calendar days starting from the
